Professional Summary

Motivated MCA student with a strong foundation in Full Stack Web Development and Python programming. Skilled in HTML, CSS, JavaScript, React.js, Node.js, Python, and MySQL, with hands-on experience in AI-powered applications. Experienced in building and consuming REST APIs, version control with Git, and Agile-based collaborative development. Seeking a Full Stack Developer or Python Developer role.

Education

Master of Computer Applications (MCA)

Mohan Babu University – Tirupati

Sep 2024 – May 2026

- CGPA: 9.1 / 10.0
- Coursework: Artificial Intelligence, Machine Learning, NLP

Bachelor of Science (Mathematics, Physics, Computer Science)

S V Arts College – Tirupati

Nov 2021 – Jun 2024

- CGPA: 7.9 / 10.0
- Coursework: Java, HTML, CSS, Database Management

Technical Skills

- **Programming Languages:** Python, Java, JavaScript
- **Frontend:** HTML5, CSS3, React.js, Bootstrap, Responsive Web Design
- **Backend:** Python, Node.js
- **Database:** MySQL
- **Python Libraries:** OpenCV, MediaPipe, NumPy, TensorFlow
- **Tools:** Git, GitHub, VS Code

Projects

VSign – Vision-Based Real-Time Sign Language Recognition and Subtitling System

- Developed a real-time gesture recognition system recognizing [89] hand gestures using Python, OpenCV, and MediaPipe
- Implemented a deep learning classification model using Multi-Layer Perceptron (MLP) to accurately classify hand gestures in real-time.
- Built a real-time subtitle system converting sign language gestures to text with approximately 200–300 ms latency.
- Improved prediction accuracy by [92]% using gesture stability logic
- Designed a user-friendly interface to enable real-time sign language translation and improve accessibility.

Internships

Python Full Stack Development Intern

Sattva Infotech – Tirupati

Jan 2024 – May 2024

- Developed responsive web pages using HTML5, CSS3, and JavaScript.
- Assisted in backend development using Python and integrated frontend components.
- Improved page load speed and cross-browser compatibility using responsive design best practices.
- Collaborated with senior developers to implement and debug frontend features, improving code quality through peer review.

Certifications

Web Development and UI/UX Fundamentals Certificate
